## A BRIEF ISCWR HISTORY

The Imperial Sovereign Court of the Wild Rose based in Edmonton, Alberta, Canada, has been a sovereign chapter of the International Court System since its inception in 1976. Our realm, the width of the province (640 Km), reaches from the City of Red Deer 155 Km to the south of us, to the border of the Northwest Territories 1000 Km North of us, and encompasses the largest National Park in Canada. Although it has been incorporated as a not for profit society under a variety of formal names, it remains Alberta's longest running organization for the LGBTQQ community.

We are pleased to say that as we enter our 40th year, we still have the support and involvement of many of our founding members including our matriarch, Empress II Chatty Cathy Jackson. We are also proud to work with and support our founding court and the Mother Court of Canada, The Imperial Dogwood Monarchist Society in Vancouver. We have a long history of noble deeds both within our own and many other communities. We are the founding court for the first sovereign court in Saskatoon Saskatchewan, in 1990.

In the spring of 1976 John Reid (Emperor II), Chatty Chatty Jackson aka Duane Shave (Empress II) and Bob Pellerin had gone to the Vancouver Coronation Ball. They were so excited by what they saw that on their return they felt Edmonton should also have an Imperial Court and elect an Emperor and Empress. So a small group of people were brought together for a meeting in April of 1976 in the Penthouse apartment of Trixie (Empress V) and Jack on 104 St. and 99 Ave. Mother Jean Lawson (Empress X) was there, as was Chatty (Duane Shave), Ron Byers, Bob Pellerin, Michael Jacobs (Imperial Crown Princess 1 - Felicia), Bob Brannigan (Imperial Crown Prince II), Grindl and a couple other interested people. It was decided we would hold the first Coronation Ball in early August. With the strong support of Flashback and some from Club 70, the first Coronation was held at the Executive Hotel on 105 St. The event was attended by the Empress of Canada, Ted Northe, and a few members of the Vancouver Mother Court.

The first Empress of Edmonton, Millicent was elected and when she stepped down a year later at the Chateau Lacombe her message was simple - "I find it difficult to put into words the love and appreciation I owe many people who helped me during my year as first Empress of the Imperial Court of the Wild Rose. It was a year of my life I will never regret and whose memories will stay with me till the end of eternity. It is also my wish to thank those people who helped in ruling over an empire which compares to none other. As my last request as Empress I, I ask only that you give my successors the same deep-felt love and warm appreciation you have given me. My continued support goes to these two people and I hope yours as well. Once again, thank you Edmonton. I will never forget you. Loads of Love, Millie"

The Court of Edmonton is proud to be at the forefront of many significant Canadian Court firsts – We had Canada's first Native American Empress, Millicent, Empress I; Canada's first Black Empress, Gracie Spoon, Empress XIII; Canada's first female Imperial Crown Prince, PePe, ICP XIV; Canada's first straight female Empress, Mother Jean, Empress X. We were the first Canadian monarchs to be presented in any Legislative Assembly, in Canada in full regalia. The only other person ever allowed to wear a crown in the House is Her Majesty, Queen Elizabeth II. We were also one of the first organizations to donate to HIV research in the 1980s and also to Camp fYrefly, Canada's only leadership retreat for lesbian, gay, bisexual, trans-identified, two-spirited, intersexed, queer, questioning and allied youth, founded in 2004.

HISM Emperor IV, Empress VIII & XVII Michael (Mary Mess) initiated the John M Kerr Memorial Scholarship fund in 1984. This scholarship fund was founded to support GLBT students entering post- secondary education within the province of Alberta. Since its inception, the scholarship fund has given a minimum of two \$500.00 bursaries every year, and often more than that. These are presented yearly at our Annual Charity Coronation Ball. Many recipients of this bursary have gone on to support our local GLBTQ community and some have even become title holders within our own organization.

We are one of the few courts where the Gay Edmonton title holders are part of our court family. Some other annual titles we support within our organization are Miss Mary Christmas, King and Queen of Hearts, Amateur Drag King and Amateur Drag Queen.

Annual memberships range from 150 – 200 members and the organization annually raises and contributes to our local community money and support that can exceed \$50,000. Major fundraising events include drag shows such as our pageants; The Leather, Feathers and Fur event; and production shows like "A Nightmare Before Christmas" and "Leader of the Pack". The ISCWR is very proud to work with many community and business partners – Womonspace, Illusions Group, Leather and Kink Groups, and The Fellowship of Alberta Bears to name a few.

## President's Message

Your Majesties, Dignitaries, Honoured Guests,

I welcome you to Coronation XL- Traveling Through Time, A Ruby Jubilee. This coronation ball marks the start of 40 years of community awareness and fundraising for the Imperial Sovereign Court of the Wild Rose. I am truly blessed to be part of a great organization. As always, there are many challenges, but with such a strong group of members, we are able to push through and move the organization forward.

First I would like to thank each and every one for your continued support and generosity. Without you, we would not be able to do all we do. This community never ceases to amaze me. Thank you to our community businesses – Evolution Wonderlounge, Woody's, Buddy's, The Ramada Hotel for providing venues to support our fundraising efforts. Thank you to all the other community organizations for your support – Womonspace, FAB – Fellowship of Alberta Bears, Pride Center. I cannot express my gratitude and how proud I am to be part of such a diverse community.

The executive board had seen many changes. Board members came and went for various reasons, but we managed to keep the organization on track. To Dale Newby (Ivanna Diamonds), Ian Crichton (Leah Way), Bob Contant (Yeust Bobb), David Chimko (Vanity Fair), Kirstin Tobias (Nicky Nottingham), Lewis Hutchinson (Carrie Du'Way), Kim Pizzy (KP K Car), Nathan Koll (Prince Charmin), and those who had moved on, thank you for your hard work and dedication. As a board, we are charged with ensuring the organization meets its mandates as set out by the bylaws and rules of order and by its procedures and protocols. Have we done this by the book? No. Have we made mistakes and learned from them? Yes and continue to do so. We all do the best we can.

To the Upper House of the 39<sup>th</sup> Reign, Empress Kelsey Breeze, Emperor Jacque Strappe, ICP KP K Car, ICP Lyria Lust, IGD Prince Charmin and IGD Hollywood SexDrive. You were faced with many challenges right from the start. At times you thought you weren't going to make it, but guess what? You made it. Your dedication, innovation, collaboration and hard work pulled you through. We are so very proud of all of you.

Thank you to the College of Monarchs for your continued support and mentorship both to the board and upper house. Many of you have set the path and it is up to us and our future members to continue that path. Participating in writing the history of the Imperial Sovereign Court of the Wild Rose, I realized how things have really changed over the past 39 years, but it is those who came before us who were instrumental for where we are today. Once was no longer. I only hope the ISCWR will continue its work for many years to come.

Again I want to thank everyone for your support. Being a member of the Executive Board is not an easy plight as many of the members are family and friends. You need the ability to separate those friendships and deal with the business at hand. That is not an easy thing to do. I hope we were able to accomplish this.

President of the Executive Board of the Imperial Sovereign Court of the Wild Rose

**Message from His Worship  
Mayor Don Iveson**

On behalf of City Council and the people of Edmonton, Alberta's Capital City, I welcome everyone to the Imperial Sovereign Court of the Wild Rose Social Association's (ISCWRSA) 40<sup>th</sup> Anniversary Coronation XL.

For four decades, ISCWRSA has raised funds for organizations that provide services for the LGBT community of Edmonton. This support is invaluable as we strive to foster an inclusive city where citizens of all ages, genders, cultures, religions, abilities or sexual orientation are respected and valued, and have the opportunity to achieve their full potential.

I thank everyone involved with the ISCWRSA for advocating for diversity in our city. By promoting an accepting attitude towards the LGBT community, you are helping make Edmonton a more welcoming and inclusive city we are all proud to call home.

Congratulations on this ruby jubilee!

Yours truly,

Good Evening Ladies and Gentlemen, Honoured Guests and of course HMISM Jacque Strappe, HMISM Kelsey Breeze and the Upper House. Welcome to Coronation XL, A Ruby Jubilee, A Reflection over 40 years.

Forty years ago we started out, a handful of people, many of whom are here tonight; and look at us now! Forty years of hard work and dedication have brought us together. Each and every reign has brought with them enthusiasm, knowledge, and made their own unique mark to further our organization. We have been contributors — now how fabulous to be part of this most joyous evening! (Unfortunately, some are not with us anymore, but still remain in our hearts and memories.) And to our Decade, Double Decade, and Triple Decade Monarchs, celebrate your evening also, and revel in your triumphs.

Congratulations HMISM Jacque Strappe, HMISM Kelsey Breeze and the entire Upper House on a successful and fabulous year. From your entertaining shows and fundraisers, to your strong leadership and thinking outside the box, you brought life experiences, and with that to draw upon, a wide variety of interests; such great work you have accomplished! This evening is very much yours and we celebrate your triumphs to further our organization. Congratulations!

Thank you for making myself and the original members here, very proud of what we started 40 years ago!

## IN-TOWN

### EMPEROR 39 1/2 BIG DADDY PUMP & EMPRESS 39 1/2 LEAH WAY

Welcome to Edmonton's 40<sup>th</sup> Annual Charity Ball and Coronation!!

First and foremost we would like to thank our strong in town supporters, whether it be performers, volunteers or cheerleaders from the sidelines, your encouragement of the ISCWR all year was outstanding. Thank you to those who have travelled far and wide to spend time with us and thank you to each and every one who gives up their personal time to volunteer in whatever capacity you choose to.

Tonight is a celebration of 40 years of community support by the ISCWR, Alberta's longest serving GLBTQ organization, this year supported by our fabulous upper house lead by our 39<sup>th</sup> Emperor and Empress, Jacque Strappe and Kelsey Breeze. There was lots of hard work and perseverance by every member of the upper house and title holder this year, evident in the goals we have achieved. Thank you for allowing both of us to be there to support you, we hope we stepped up to meet your expectations and were able to guide you towards completing your year with the vision you had in mind. Know that we both believed in you,

your Upper House and the choices you made for your reign. We took some risks, we did some things differently, and tried some new fundraising opportunities and it seems to have paid off. It was also nice to see some new fresh faces express interest and join the organization – a trend we hope to see continue.

Thank you, for the honour of being your halves this year, we are both grateful and proud to have served the 39<sup>th</sup> reign and to be included in the year. In the face of adversity you were able to hold your head high and move forward with thoughtfulness and compassion for others. Kelsey, you will be the "older" sister for life, be proud of all the things you have accomplished. Rene, you have grown up before our eyes and turned out to be a fine young gentleman who has many more things to share with the community. KP, Lyria, Prince and Hollywood, you did what upper house members are supposed to do – show up, support your Majesties and always look majestic.

You have represented Edmonton proudly far and wide, worked very hard and should all be proud of your individual and group achievements. Thank you for your dedication to the ISCWR and for the friendships new and old, redefined and strengthened that we will carry on for many decades to come.

We would like to take this opportunity to wish the 40<sup>th</sup> reign all the very best as you continue the ISCWR tradition of giving back to the community, remember we are either just an email or phone call away.

How quickly a year passes! And although I've taken a bit more than one step back, I've been very proud to see the work done by our ICPs as they stepped forward in the roles of Emperor 39 **Jacque Strappe** (Do you believe me yet, that lists are never a bad thing?) and Empress 39 **Kelsey Breeze**! And thank you once again to all who supported our record breaking year as achieved by the Team of the 38th Reign—we couldn't have done it without YOU!!! Our return to "real life" has been almost as busy as our reign, as it has been filled with friendship time, travel, grandchildren (5 at last count...lol), house and garden developments, and of course "Jeff and Brian" time. Best wishes to the new monarchs as they begin the 40th reign! Anyone who puts forward their name and steps up to the plate deserves our admiration and support!

## DECADE MONARCHS

EMPERORS XXIX, JIM & RON & EMPRESS XXIX, STICKY VICKY

Ten years ago, we stepped forward as Co-Regents for our friend Sticky Vicky. We both brought different strengths and interests to the year, but we shared one goal: to support our good friend Vicky in what had been a longtime goal for her: to reign as Empress. She did just that, and we are proud we were there for her.

Vicky has since passed away. She had a truly good heart and she is missed by all who knew her. But the legacy of our "little bird" lives on, and as we told her then, people now speak of "during Vicky's year" and it is a good thing.

Tonight, we gather together with friends old and new to celebrate another year, and let us take a moment to remember the friends like Vicky who are no longer with us.

Our involvement over the last decade has varied but our belief in what this organization stands for has never wavered, and we are proud to be here tonight as part of this celebration.

We remain

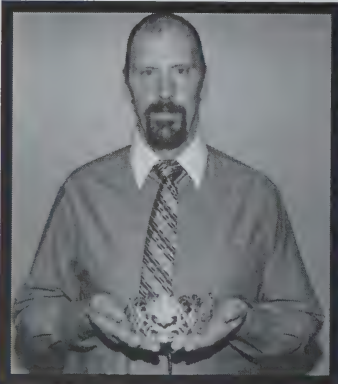

Emperors 29 Jim McBride and Ron Byers

Representing Empress 29 *Sticky Vicky*

## FAR AND WIDE!

### DOUBLE DECADE MONARCH - EMPEROR XIX JIM

How fast 20 years go! In the past two decades, I have seen the Court go through so many changes. I have seen us take chances, some of which failed, but many of which succeeded. I have seen us reach outside our own, work outside our boxes, and develop into something truly wonderful.

My own involvement has remained constant, although it too has changed from days of the Village People, to the many ISCWR production shows, and now into new endeavors, like live singing and acting. I am constantly testing myself, learning new skills, and growing as a performer and a person, and I am happy that the Court gives me a friendly and welcoming environment to do this in.

To my Empress Gretchen, our lives have diverged so much since our reign but our friendship is something I still truly cherish.

I hope you all enjoy tonight's number. I am doing this with five friends, and the six of us represent what I value most about this organization. As double decade emperor, I represent the Longevity of the Court; Rene Jacques Strappe represents the Youth of the Court, Myra Maines the Future of the Court, Jeffylube XXXpress represents the Laughter of the Court, Rob represents the Friendship of the Court, and Dayzi Chayne represents the Heart of the Court. I hope you all enjoy this presentation.

## DOUBLE DECADE MONARCH—EMPRESS XIX GRETCHEN WILDER

Ladies, Gentlemen, ....and Vera,

I would like to take this opportunity to reflect on my past with the Imperial Sovereign Court of the Wild Rose (ISCWR) and Edmonton as a whole.

I often think about this young (yes, I was young once) man leaving has roots in Nova Scotia and traveling west to Edmonton 29 years ago. It is the best decision I have ever made in my life. The people in Edmonton are friendly and down to earth. I have always felt welcome, loved, and most of all, at home.

The opportunities here are plentiful. If you can 'wish it', it can happen. I had worked in the gay community in bars, had the pleasure of being an owner of Down Under (baths) and of course having the honour of being the 19th elected empress of the ISCWR 20 years ago. Dare to dream, they can all come true here in Edmonton.

The people here in Edmonton are fantastic. I have had the pleasure to be in direct contact with people from all walks of life. I have had the fortune to have found a loving and caring partner. His family have taken me in as one of their own. I am grateful for the people that are here for me tonight, and I know they are here for me always.

My dreams have all come true and some fortunes I had never dreamt of as well. For all these things I am grateful.

With love,  
I remain,

Her Imperial and Gracious Majesty,  
The White Rose Empress,  
Empress 19

Wow, I cannot believe that coronation is finally here, and I am stepping down today, celebrating what I have learned, and what I have achieved throughout my reign as princess. I couldn't have done it without the support of my friends and family who are part of the court, and who are not part of the court. I would like to start off with my Empress Kelsey Breeze, thank you for letting me spread my wings this year as princess. To my Emperor Jacque Strappe, our friendship really grew this year. To my Grand Duke, Prince Charming, You were one of the very first people I ever spoke to that very first night we met at the Gay Edmonton Pageant three years ago, both of us virgins to the world of drag, and our hearts racing as we had to go on stage for the first time. Both of us have grown so much as performers, and I am so happy to call you my friend. To my Grand Duchess Hollywood Sex Drive, with you around, each event has always been a party. We not only are friends within the court, but reigning this year together, has also strengthened our friendship outside of the court.

I would like to thank Leah Way, and Dee Love for all of your support throughout my reign. Leah, you always motivated me, and pushed me to do the best I could be, even when I had moments when I had no energy in me. I am glad for it, because you were right, I can look back today, and say I did the best I could do, and had a year that is worth remembering for the rest of my life, so thank you. Dee, you have always supported me even years before I became princess, and your support this year only grew, with trips to the store, and outfits! Thank you. I would like to thank Walter Rowson for all of his hard work this year, making me the dozens of beautiful dresses that I was able to wear, including tonight. The hours and time you spent, you are a true friend. I would like to thank Dave Ahlberg for all of your support, and keeping Walter sane as he sewed my dozens of dresses. I would like to thank my family, my brother and parents here, and my aunts in Ireland and England. I could always go to you for support when I needed it, and tonight I wear the jewelry that was hand-made from my aunt in England; her way of supporting me. I would like to thank Jill Kinsella for being part of my shows, helping keep me sane before shows and throughout the year. Thank you to all my Gay Edmonton's, Carrie Du' Way, Venus Envy and Nicky Nottingham for helping out at shows, always being there to lend a hand when I needed it. Lastly I would like to thank my Prince, KP K Car. Together we have gone through so much this year, and you have been my greatest support. All the phone calls, and text messages, laughs and tears, I couldn't have done this year without you. I have always had your support this year, and you became my rock. We are complete opposites, but that is what made us such a strong dynamic duo. This year was a learning curve for both of us, but we taught each other. You taught me to keep going, to preserve, and to speak my mind. I am sure I taught you to love Disney! Hah!

There are so many of you in the Edmonton court and who are not, who have come forward and helped me here and there throughout my year. There is just not enough room on my page. You know who are, just know I did not forget what you have done, and I thank you! Because of all of you, my year was a success!

Good evening ladies, gentlemen, fellow Monarchs, visiting dignitaries, family and friends.

Welcome to Edmonton's 40<sup>th</sup> Coronation Celebration. I am very excited that you all are here to be part of this historic event, a reflection through time. They say that time flies when you are having fun and that is so very true! I will be taking with me so many memories which I will cherish for the rest of my days!

As I am sitting here putting the last of my thoughts together to prepare and edit my Ball message. It has brought me to tears a couple times by looking back at the events that the Upper house of the 39<sup>th</sup> Reign have had thus far and what a "Fabulous" bunch you all are!!!! If it wasn't for you all working so hard in whatever endeavor we did, without the **commitment, dedication** and the **enthusiasm** we would not be as successful as we have been! We have travelled to many places in Canada we have attended many events representing our fare city and the organization that we all love so dearly, but most of all we have raised money for our charities.

I was very fortunate to have had the opportunity to travel to **Regina, Toronto, San Francisco, Vancouver, Calgary** and **Winnipeg**. Each of these cities have certainly their own unique style of putting on a celebration. I have reacquainted old friendships as well as made many new during these travels...

**September: Regina.** This was my first official Out of Town Coronation, although I have been to Regina's Ball before this one has many lasting memories, the first time to be invited to sit on

the dais by my sister **Kricket Tyne deBitch** and **Scooter Down-Lo** as the stepping down Empress and Emperor, along with **Momma Ray St Claire, Avaughna Sanoir, Bruce Sanoir, DeFrost & R-Frost** from **Calgary**. Then to be included in the "Empress Line" was the most amazing feeling. For years I sat in the Ball room waiting for this day. Then the highlight to witness the crowning of my baby sister **China White** along with **Mitch deBitch** as the new Empress and Emperor for the province of Saskatchewan. Hugz to **Yada, Sean Ryan, Ceaser Melons** and **Richard Sanoir** for always making one feel welcome.

**October: Toronto.** You welcomed me to the east with open arms. The hospitality from **Teran Blake** and **Big Kris** as the stepping down Empress and Emperor was fabulous. This lady sure knows how to rock those boots...LOL **Miss Lauren Michaels** Empress #1 I hope you have had a fabulous reign and it was great to see you in Vancouver. **Dawn Valley Parkway**, I had heard so many good things about you, thanks for the beers! **Michelle duBarry** is always a pleasure to chat with and learn a little history of the Court system. **Maria Delmonte** you are one beautiful individual keep performing for the troops! It was a pleasure to meet **Bryan Greenwood** jewellery designer extraordinaire and partner **James Pawley**, thank you! **Uncle Hunter James, Morgan James, Dave Beauchamp** thanks for making feel like on one the clan.

**Hamilton/London** My two sisters, **Empress Munro** and **Empress Robin**, thank you for taking this old bird under your wing so to speak and introduce me to the "Sisterhood"... **NO more shots!!! LOL Robert George** you have become a true gentleman. It was a sincere pleasure to met **Dusty** and **Claudia**, best of luck on your campaign **Dusty! Empress Victoria** I hope you have had a fabulous reign in London and that you have enjoyed the experience! **Ben Stein** you just have to be the cutest...

**February: San Francisco 50<sup>th</sup> Coronation and Anniversary Gala** What an amazing experience! **Empress Misty Blue** and **Emperor JP Soto** you guys know how to through one hell of a party! **Misty** you are one amazing lady that never stops, that Empress bus tous was a night to forget!!!! Hahahahaha... **Empress Khmera** and **Emperor Kevin** you both have the passion to continue the legacy... The ladies that I met in your fare city are very gracious, **Truck Stop Tracy** and **Marlena** thank you for the history of **Castro, Tiger Lilly, Reba, Motz** and **Douglas** thanks for all the laughs.... The 50<sup>th</sup> Anniversary Gala was held in the rotunda **San Francisco City Hall** was something that most of us would only read about. Over 800 attendees dined on a fabulous dinner and then where addressed with speeches from **Nicole the great, The Queen Mother of the Americas** and other disguised guests followed by the introduction of all the Absolute Empresses and the Emperors After Norton. The pilgrimage to the grave site of **The Absolute Empress I, The Widow Norton, Jose Julio Sarria** was certainly a moving experience. (Ready to board a bus at 7:00am in drag was a feat in itself). **Thank you San Francisco I will be back!**

**March: Vancouver** To my little bro **Emperor JJ Nation**, you where a certainly an asset to the **Mother Court of Canada**, you and **Empress Kiki** can hold your heads up high you did good! **Empress Babette** and **Emperor Eric** have some big shoes to fill!!! I hope that **we don't** cause too much havoc ....LOL My best wishes for **Jamie and Jasmine** who I hope will be sporting the Emperor and Empress crowns for tonight's event. I had the most amazing travel mate that anyone would ask for, **Mr Robert Toane aka: Thelma**. He is a true gentleman, travel guide, and escort. Everywhere we went this man showed so much class, he certainly is well respected in the Court system. He also knows all the hot spots in every city that we travelled too! I look forward to our next journey to **Portland** in Oct for their 50<sup>th</sup> Anniversary Celebrations.

To the people who supported us during our reign: **Michael Myte and Dyna Myte**, OMG what can I say...you both have such big hearts, and are so gracious when it comes to financial support, it was amazing!!! To **Evolution Wonder Lounge, Woody's Video Bar and Buddy's Night Club**, thank you for letting Reign #39 have production shows and fundraisers and your venues. To **Lori & Gwen, Fruit Loop, Womanspace and Crowley's Jewellers & Goldsmiths** for providing financial and merchandise for fund raising. To Gay Calgary/Edmonton for their continued support. To **Brian Baker and Jeff Park** for the hours and hours putting this Ball Program together, Thank you. I was never so proud of a group of people who are all my friends who came forward in September at the AGM to all put their names forward to become the **Executive for the 39<sup>th</sup> reign**, no words can express my gratitude to each and everyone of you!

**My Emperor Rene**, this is year two for us! This was an amazing journey and it went by so fast...I hope you found new strengths within yourself just as I have. It was **fanfrickentastic!** Love you xoxoxoxoxoxoxoxox

**Trixie PanAm & Leah**...ladies I am at a loss for words to try and express my gratitude to each of you for accepting the position as my Half's. You each brought me back to earth on occasion and helped me keep things REAL...

**Vanity** my sista...where to begin... this list would take up this whole page! You are one "True" friend, oh and thanks for being the Ball Manager this year!

If each of you would please take a moment to look around the room to appreciate the hours of painstaking negotiations, emails, phone calls, meetings with the hotel etc. to make this evening happen... it is all due to **Miss Ivanna Diamonds**.

You are the love of my life of 9 years! Thank you to you and our baby Sam.... I love you!!!!

Now sit back relax and great ready for one fabulous evening of entertainment, awards and the crowning for the Monarchs!

OK, this isn't that hard. Just start writing. "Call me Ishmael..." Nope. "Four score and seven..." Nuh-uh. How about "A long time ago, in a galaxy far, far away..."? Not even close. "Rosebud..."? Okay, seriously? You're not even trying. Try it again from the heart. It'll probably be just as cheesy, but at least then it'd be genuine.

Good evening ladies and gentlemen, and welcome to Coronation 40!

Seriously, that's the best you could come up with?

Shut up, Self-Doubt. I'm trying to be "genuine".

OK, fine. As you were.

Thank you.

Out of all the words I could use to describe this past year, "predictable" would probably be at the bottom of the list. I'm not going to lie, I had no idea what to expect when I stepped up into this position. I mean, I thought I did, but I didn't have a clue. When asking for advice from friends and past monarchs, when I was still just filling out my application, all I kept being told was that "Every year is different" and "There is no real guidebook on how to be an Emperor". But I didn't get it. I mean, every year, the expectations are the same, aren't they? The requirements of the position are all laid out on paper, right in front of you, before you even start filling out your application form, so how can each year be so totally, radically different?

Boy was I wrong.

I was asked several times before stepping up if I really thought that I was ready? My answer at the time was a confidant "yes". Looking back, I realize how truly wrong I was. I believe the paradox of being in service to your community to this extent is that you are never truly ready to reign until you've stepped up to the plate and worked your ass off.

There are many things that go into a Court year. Your shows and events planning, charity work, keeping track of money, community appearances, and countless hours of volunteer work. All of these, I've had enough experience with that I at least had a rough idea of how to plan for these. But as silly as it sounds, the one thing I didn't really take into consideration, and what I would say is probably the most challenging, and rewarding, is the people.

As far as I'm concerned, you can never truly prepare for the *human* aspect of being in a position of leadership in this organization, and I'd like to think that this is the same regardless of what organization you're a part of. No matter how much planning ahead or budgeting you do, or how empathetic you think you are, nothing can throw you off your game quite like a well-placed ego, or an unexpected compliment or word of encouragement.

That's why I think so many people become so emotional by the time they step down from a title, and it's why you can never truly prepare for a year of service to your community.

But at the same time, this human element is what makes being a part of this organization so rewarding.

"Rewarding"? As I recall, you were ready to rip your hair out at least once a week.

Hey, I never said it was easy, but all the difficult times were worth it in the end, weren't they?

*How do you figure?*

*I was getting to that. Can you please stop interrupting?*

*Fine. Carry on.*

True, this year wasn't without its challenges. To be honest, a number of people who I truly believed supported me and had my back, left the moment a crown touched my head. But on the flip-side, many people I was not expecting came out of the woodwork in support throughout the year.

So with everything said and done, and as I look back on this past year, I find myself asking one question: "Was Team 39 successful?" Through all the drama, politics and bickering that come with a year in the Court, can I truly look back with pride and say that we succeeded? Well, a friend of mine recently told me something that I find very apt. It was something that was told by a monarch before him, and I'm thankful that he's passed it on to me: If at the end of the reign, you are giving away five dollars to charity, it was a successful reign. If, at the end of the reign, you have made friends and memories, it was a successful reign. If, at the end of the reign, you have learned about yourself as a person and grown, it was a successful reign.

With that in mind, I can honestly say with pride, that yes, we've had a successful year, and everyone involved can hold their heads up high this weekend.

By now you may have noticed that I haven't included that standard laundry list of "thank yous" that seem to come with every step-down message. This was deliberate.

*Because you're a selfish jerk?*

***Shut up, that's not it.***

The reason I did this is because I'm bound to leave someone out accidentally, and I know how much it sucks to be on the receiving end of that. However, please know that I appreciate absolutely everything everyone has done to make this year what it was, and I intend on letting all of you know in person if I can. I could not have gotten through this year on my own, and to everyone who helped me even a little bit, I am truly thankful.

This year has been an emotional one. I laughed more than I thought possible, and I cried more than I'd like to admit. I've solidified friendships that I've had for years, and created new ones I know will last a while. I've had to face myself in ways that I may not have been completely comfortable with, and through all of it, I feel that I've grown, both as a person, and as a member of this community. This experience has touched me in ways that I don't think I was entirely prepared for, and through everything I am eternally grateful.

So to all of my supporters, thank you for standing by me and believing in me. I certainly hope that I've done you proud.

In service, I remain,

The 39<sup>th</sup> Elected Emperor of Edmonton and all of Northern Alberta,

Guardian of the Black Lotus, The Leather and Chain-Clad King of the West

Wow, what a year it's been! It's been very surreal. A year of a lot of growth - and not just physical growth. When I was first asked to run as a candidate for Prince I had a lot of concerns and wasn't sure if I was right for the job. After speaking with my children and my girlfriend I decided I would give it a try, but I really had no idea what I was in for.

Shortly after stepping up I came to the realization that I my job this year would be to do everything I could to ensure that the emperor succeeded. Jacque surpassed all of my expectations...what a leader! My concerns were quickly put aside - his age, his inexperience - he very quickly rose as a leader and led by example. His calmness and patience flowed through the male line.

I recall standing on the stage at Investiture with a group of people that I really didn't know. Throughout the year, that has drastically changed and I have worked on a float, and production shows with people I now consider friends. We've all grown together, learned together, cried and laughed together, building a team to achieve a common goal. There was a lot of talk about being a family throughout the year, and as the year progressed I saw that to

be true, because very much like a family when one is hurting the others are there to provide support.

Kelsey, you are the reason I ran in the first place as you were really the only upper house member I felt I knew at that time.

Thank you. Prince and Hollywood I've enjoyed getting to know you and to work with you. I would like to also take this opportunity to thank the board for their support.

There are so many people who have supported me when I didn't necessarily believe in myself. To my girlfriend, Larissa, I'd like to thank you for believing, and never giving up. On the days that I wanted to, you were the strength that said, "No, you can do this." To my boys; I know this year took away from family time, thank you for your patience and understanding. Bob Toane, from day one you've been one of my biggest supporters which means the world to me. For many years I admired you from afar and you always stuck out as such a gentleman—now I am honoured to consider you a friend. Dale and Perry; once again Dale was somebody I admired from afar but didn't have the courage to approach. At the beginning of my reign, Dale and Perry gave me a container of material and it has been very much like Christmas as each event came up and I tried to figure out what material to use... and when I say "I", I mean "we". ;-) Walter and David, this year wouldn't be have been the year it's been without you. Walter sewed constantly, advised me on colours, and made sure I always had freshly pressed clothes. David advised me on wardrobe, and helped me with facial hair. To my friends, Rick and Bob; thank you for the cookies, the coffee, the shiny shoes, the awesome chats, the great advice and guiding me. I'll always be your noxious weed. To my buddy Jim, thanks for always being there, listening and being mean to me. Lol

Dear Brenda Buffet. Although you were miles away and in another country it felt very much like you were here the entire time. We communicated through Facebook, and through email and I can't begin to tell you how excited I was when "incoming call from Brenda Buffet" would show up on my phone. I "wear" the name you gave me with honour and pride. I was so excited and pleased when you phoned to tell me that you would be at the ball. To Dee Luv; you have run behind, made sure I was pretty, listened and just generally been so supportive. To the In-Town Halves, Leah and Big Daddy, this year wouldn't have been the same without you. You've been a shoulder and have given a kick in the ass when needed... and sometimes when it wasn't! To Vanity; early in the year you sent a message to the upper house. I don't think you realized what an impact your words would have and still to this day run through my mind before I hit the stage. One of the highlights of my year was "Leader of the Pack" and through this I got to know Michelle, Sam and Jill even better, and the respect and admiration I have for the three of you is enormous.

And to my Princess, Lyria, there is so much to say and not enough room in this message to put it all down. This year wouldn't have been the year it has been without you. You are my friend, my confidante, my strength, and I have learned so much from you. What started off as an annoyance has changed as now your "Pollyanna-ness" is something I actually admire the most. Your ability to see the good in everything has been a very positive experience for me.

I'd like to take this opportunity to wish future reigns all the best.

As I reflect on this past year three things come to mind. Hard work, lots of laughs and love. In my time as IGD it has really shown a different side to some people than I expected. I am so grateful for the ongoing support and love from the rest of the upper house, board, and everyone else involved with the ISCWR. I have never felt more like a family than I have this year. People always told me that your year is what you make of it, I never fully understood that until late in this reign and it is the one piece of advice I wish I would have taken more to heart from the beginning. My goal for this year was to do the ISCWR proud as an ambassador of the organization this year. I truly feel as though I achieved this goal threw the friendships and partnerships I have made and strengthened. Kelsey and Jacque... the love and respect I had for both of you going into this year has only increased tenfold. You put up with my ill sense of humor from "having to work the day of pride" or the classic "August 22nd? I think I'm busy washing my hair that day!" You were both a blast to work with. KP and Lyria from the popsicle pants to the never ending Frozen references. You two were one of my biggest laugh it off people this year and for that I am grateful. Hollywood (wifey), I cannot even explain our relationship. It was great fun wurkin it with you gurl. Also a special thanks to the following people for various reasons and you know why; LJ, Myra, Bull, Big Daddy, Ivanna, Satina, Sean T., R & D Frost, Trixie, Carrie Du'Way. I love all of you more than words can explain.

# THAT DRAG THING!

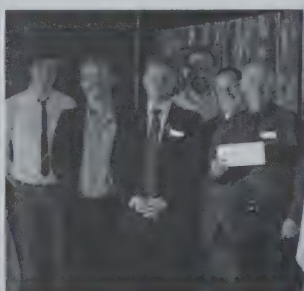

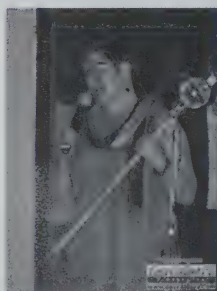

## The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.
